DEAR PARENTS, DEAR KIDS!

In order to provide your child an unforgettable and safe vacation, we ask you to bring your child personally to the care, to register him/her in the list and also to pick him/her up personally again. If your child will come alone and will not be registered, this means for us, your kid can go alone at any time and move freely in the hotel.

Meals: Please let us know if your child would like to eat at the kids club.

Excursions: Please register in the playroom.

Program could change and please refer to the information on the door to the playroom!
